Energy Efficient Arizona

Dear Arizona Corporation Commission,

Energy efficiency offers an immediate, proven and important step that consumers and businesses can take to reduce energy use, save money, stimulate the local economy, and protect public health.

A Lawrence Berkeley National Laboratory analysis found that Arizona's Energy Efficiency Standard, if put into effect, will save Arizona customers \$9 billion on their electric bills by 2030.

Please ensure Arizona's Energy Efficiency Standard remains intact.

Energy Efficient Arizona

Dear Arizona Corporation Commission,

Energy efficiency offers an immediate, proven and important step that consumers and businesses can take to reduce energy use, save money, stimulate the local economy, and protect public health.

A Lawrence Berkeley National Laboratory analysis found that Arizona's Energy Efficiency Standard, if put into effect, will save Arizona customers \$9 billion on their electric bills by 2030.

Please ensure Arizona's Energy Efficiency Standard remains intact.

Sincerely,

Energy Efficient Arizona

Dear Arizona Corporation Commission,

Energy efficiency offers an immediate, proven and important step that consumers and businesses can take to reduce energy use, save money, stimulate the local economy, and protect public health.

A Lawrence Berkeley National Laboratory analysis found that Arizona's Energy Efficiency Standard, if put into effect, will save Arizona customers \$9 billion on their electric bills by 2030.

Please ensure Arizona's Energy Efficiency Standard remains intact.

Energy Efficient Arizona

Dear Arizona Corporation Commission,

Energy efficiency offers an immediate, proven and important step that consumers and businesses can take to reduce energy use, save money, stimulate the local economy, and protect public health.

A Lawrence Berkeley National Laboratory analysis found that Arizona's Energy Efficiency Standard, if put into effect, will save Arizona customers \$9 billion on their electric bills by 2030.

Please ensure Arizona's Energy Efficiency Standard remains intact.

Energy Efficient Arizona

Dear Arizona Corporation Commission,

Energy efficiency offers an immediate, proven and important step that consumers and businesses can take to reduce energy use, save money, stimulate the local economy, and protect public health.

A Lawrence Berkeley National Laboratory analysis found that Arizona's Energy Efficiency Standard, if put into effect, will save Arizona customers \$9 billion on their electric bills by 2030.

Please ensure Arizona's Energy Efficiency Standard remains intact.

Dear Arizona Corporation Commission,

Energy efficiency offers an immediate, proven and important step that consumers and businesses can take to reduce energy use, save money, stimulate the local economy, and protect public health.

A Lawrence Berkeley National Laboratory analysis found that Arizona's Energy Efficiency Standard, if put into effect, will save Arizona customers \$9 billion on their electric bills by 2030.

Please ensure Arizona's Energy Efficiency Standard remains intact.

Energy Efficient Arizona

Dear Arizona Corporation Commission,

Energy efficiency offers an immediate, proven and important step that consumers and businesses can take to reduce energy use, save money, stimulate the local economy, and protect public health.

A Lawrence Berkeley National Laboratory analysis found that Arizona's Energy Efficiency Standard, if put into effect, will save Arizona customers \$9 billion on their electric bills by 2030.

Please ensure Arizona's Energy Efficiency Standard remains intact.

Sincerely,
